

The Silver Birch Academy Trust
 Chingford Hall Primary
 Pupil Premium Funding 2015/16

The Trust's strategies relating to pupil achievement are based on ensuring **Quality First Teaching** across all year groups. There are a number of key strategies we use to supplement this including additional teaching support, intervention programmes, breakfast club, attendance support and educational visits. The following activities are in addition to these strategies, specifically targetted at pupils eligible for the Pupil Premium funding with the intended outcomes focussed on **closing the gap (a) raising aspirations (b) and increasing engagement (c)**. Each strategy will be evaluated against the extent to which these outcomes are achieved.

The funding in this academic year is £165,000. This represents an increase on last year's allocation. The number of targetted pupils in this academic year is 125 pupils.
