

## **Sports Premium Grant at Chingford Hall Primary Academy 2014/2015**

‘Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this’ (DFE June 2013)

At Whittingham Primary Academy, PE & Sport have an important role in supporting our children to learn to develop the important qualities of discipline, resilience, communication, team work and ambition, leading to improved concentration, attitude and academic achievement.

We have welcomed the Government’s announcement in June 2013 to provide additional funding for two years to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside opportunities for sporting competitions and clubs for all of our young people.
